Miss Caller - Easter Adventure

During the Easter Holidays, Miss Caller is going on a once in a lifetime experience. On Thursday 28th she flies to Kathmandu, Nepal. This is where she will start the trek through the Himalayas, to Everest Base Camp. The trek is for 13 days before the return flight back to the UK. This is an amazing experience with lots of incredible things to see on the way. Miss Caller will reach an altitude of 5545 metres (over 5 x the height of Snowdon!). We wish her the best of luck and can't wait to hear all about it when she returns.

Parent Survey March 2024

We would really appreciate if you could spare a few minutes to complete the parent survey we have sent out today. There are 10 quick questions with multiple choice answers, along with the optional choice to add details of any specific strengths of the school you wish to highlight or any possible development points for us to consider. The survey will be accessible up until Friday 5th April and your responses are valued.

Here is the link to the survey: <https://forms.office.com/e/64VNYM5r9c>

Monday Morning Drop off

Throughout the summer term Year 5's will be swimming every Monday morning and the coach will therefore be using the drop off area.

To ensure the drop off zone remains safe and can be accessed by all please remember:

- No parking or waiting in the car in the drop off zone in the mornings after 8:30am
- Simply pull up allow your children out of the car and drive off

We need to ensure there is a clear flow of cars whilst the coach is parked in the drop off zone.

Year 6 - Art & Design

In preparation for our Art & Design unit (Sculpture and 3D) next term, we would be grateful if anyone could collect the following items. Can we please ask that these are brought into school in a named carrier bag on the first Monday back after the Easter break? If anyone not in Year 6 could help to support this, please bring any items to the office.

Objects/items to collect:

Joining materials (yarn, thread, elastic bands)

Cardboard and newspaper

Natural objects - e.g. sticks(small), pinecones, leaves

Fabric scraps

Clean recyclables - plastic bottles, lids and boxes

Corrugated cardboard (from cardboard boxes)

1 shoe box (shoe/sports shops are often keen to get rid of these)

Thank you so much for your support.

Mrs Whitehead and Mrs Hampson

Childminders

In addition to increasing our capacity with after school provision next year we would like to know if there are any local childminders that could support our families with childcare arrangements at either end of the school day. We would like to create a list of local childminders so these can be signposted to parents in need of childcare.

If there are any childminders out there who have spaces, please get in touch so that we can share your details with parents by contacting office@silverstone.pdet.org.uk

Spring Term with FoSS

Thank you from FoSS

Thank you to everyone who has helped with the FoSS fundraising over the last term. Without the help of volunteers to organise and run Motherby's, the Disco, Donut sale, Raffle and the Easter Fair we would not have been able to raise the money needed to fund the student laptops this term; the visualisers in the previous term; as well as the ongoing support with class trips.

We have more great events planned for the summer term and beyond; if you would like to be involved in any way, please do come along to our next meeting (early next term, TBC) or have a chat with any of the FoSS committee.

We hope you all have an enjoyable Easter holiday.

Team FoSS
